IMPORTANT:
Attendance at the first trial is mandatory in order to be considered for selection.

If for any of the following reasons, an athlete cannot attend trials, the parent and athlete must contact the FHBC High Performance Manager (colleen@fieldhockeybc.com) prior to the trial in order to be considered for selection. If the selection committee does not have a reason for non-attendance the athlete will not be selected to the squad.

- Injury* or sickness, family emergency
- Academic** (school trip or exam that conflicts with trial times)
- Other exceptional circumstances*** may be taken into consideration

*In the case of an injury, athletes must provide a doctor's or physiotherapist's note at trials indicating the athlete's medical condition and the potential return to play date. In this case, the athlete's evaluation from the previous year's regional and provincial programs will be considered. However, if the athlete does not attend either trial, there is no guarantee they will be selected to the squad.

** Documentation from a school representative with trip or exam details must be provided to the High Performance Program Manager for consideration.

*** Details must be provided to the High Performance Program Manager to then be reviewed by the High Performance Committee.
